

Better hygiene for better business performance

Essity – the maker of Tork

Essity is a global, leading hygiene and health company. We are dedicated to improving well-being through our products and services.

Sales are conducted in approximately 150 countries under the leading global brands TENA and Tork, and other strong brands, such as Actimove, JOBST, Knix, Leukoplast, Libero, Libresse, Lotus, Modibodi, Nosotras, Saba, Tempo, TOM Organic, Vinda and Zewa. Essity has about 48,000 employees.

The company’s headquarters is located in Stockholm, Sweden, and Essity is listed on Nasdaq Stockholm. Essity breaks barriers to well-being and contributes to a healthy, sustainable and circular society.

More information at www.essity.com

Essity recognitions and memberships in sustainability

Essity is committed to develop targets to reach net-zero greenhouse gas emissions by 2050 at the latest

Essity has joined the U.N. Global Compact’s “Business Ambition for 1.5°C” to develop targets to reach net zero emissions by 2050 for the entire value chain, in line with Science Based Targets initiative (SBTi) criteria. This includes an upgraded target in line with “Well-below 2°C” scenario and means the company commits to reducing its Scope 1 and Scope 2 emissions with 35% by 2030 from 2016.

Tork Clean Care – hygiene services and tools designed for you

The Tork Clean Care™ programme is a combination of knowledge, supportive tools, training, great products and services that empower you to deliver sustainable hygiene to your workplace.

Research and knowledge
based on close collaborations with our customers, NGOs, research and other fact we think you'll find interesting and useful

Tools, tips and training
to help you raise hygiene standards

Product and service recommendations
to guide you to the best products and services for your type of business

Good hygiene is everyone's business

“With the Tork Clean Care™ programme we invite everyone to become hygiene heroes, and actively work toward safer workplaces.

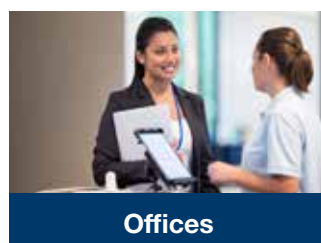

Because regardless of what you do, good hygiene is now everyone's business.”

Did you know – improved hygiene can lead to:

- Less sick leave
- Improved food safety
- Increased customer, staff and guest satisfaction
- Reduced healthcare-associated infections
- Employee well-being

Grow your knowledge with our innovative hygiene training and education programmes

Explore our state-of-the-art educational programmes and you'll find a great interactive learning experience for improved outcomes and behavioural change in hand hygiene and cleaning.

Easily identify the products you need

Our Tork Systems are identified with Refill IDs to seamlessly match dispensers and product refills. They consist of a letter (key below) and a number and are clearly marked on Tork packaging and in this catalogue.

- A = Air Fresheners**
- B = Bins and Bin Liners**
- F = Facial Tissue**
- H = Hand Towels**
- M = Centrefeed**
- N = Napkins**
- S = Soap and Sanitiser**
- T = Toilet Paper**
- V = Seat Covers**
- W = Wipers**

Our Tork refill products come in three quality tiers.

Premium

Our top quality tier, characterised by exceptional softness and quick absorption. The products are recognised by their superior look and feel, as well as their style and high performance.

Advanced

Effectively balances cost and performance. These high-performance products are soft, attractive and reliable.

Universal

Meets the basic needs of customers, offering good value for money and low maintenance.

Look for these symbols throughout the catalogue which indicate which dispenser systems best handle certain washroom capacity levels.

Low/medium traffic

High traffic

High peak traffic⁵

¹ Based on customer feedback for dispenser checks over 6 months before vs after installing Tork Vision Cleaning (between June-December 2019).

² Measured across 16 sites connected to Tork Vision Cleaning, with each dispenser check taking approx. 20 seconds.

³ Based on the documented results achieved by three Tork Vision Cleaning customers, measured before and after the implementation of Tork Vision Cleaning.

⁴ Measurement of visitor satisfaction in two Tork Vision Cleaning washrooms and two traditionally maintained and equipped washrooms at ISSA/Interclean exhibition, May 2016.

⁵ Measured across nearly 13,000 connected dispensers between June-December 2019, based on time per month that a dispenser is in an empty status against total time per month.

⁶ High peak traffic includes influx of guests within a short period of time.

Minimise your environmental impact

Maximise your business performance

Tork is committed to developing innovative, sustainable hygiene solutions that are better for business, people and the planet.

Materials & packaging

Responsible sourcing and increased use of renewable, recycled and natural content.

Use & waste

Reducing waste through reduced consumption and circular solutions.

Carbon

Lowering carbon impact throughout the total life cycle of Tork products and services.

Hygiene for all

We are dedicated to raising hygiene standards for the majority of users.

Aviation Certified

Aviation

Our most prestigious cloths are certified according to AMS 3819C (Aerospace Material Standard) live up to the high quality requirements demanded by Aviation industry.

Easy to use

Many Tork hygiene systems are certified by the Swedish Rheumatism Association (SRA) and proven to be easy to use, making hygiene accessible for all, even for children, elderly and people with limited hand function.

Allergy Friendly

Adapted to needs of allergy sufferers, certified by the European Centre for Allergy Research Foundation.

Segment-focused, needs-driven solutions

Tork is dedicated to understanding the challenges our customers in key segments face and providing solutions that answer their specific needs. We focus on four segments: Commercial, HoReCa, Industry, and Healthcare.

Commercial

Key challenges in the Commercial segment include providing a high-quality experience in a demanding environment as well as finding ways to improve efficiency and reaching targets on sustainability.

Tork helps provide a clean and pleasant end-user experience through user-friendly hygiene solutions that are easy to maintain and help save time, thereby giving facility managers peace of mind and enhancing the company's sustainability image.

71%

of guests at high-traffic venues have had a bad washroom experience¹

Sub-segments

Office Buildings

Education

Recreation

Passenger Terminals

HoReCa

Now more than ever, foodservice and hospitality operators face significant challenges to providing excellent guest experiences. Finding and retaining staff, managing efficient hygiene solutions, incorporating and promoting sustainable practices, along with maneuvering a challenging economic environment drive operators to look for new resources to help manage their business.

Tork can help HoReCa operators stay ahead of these industry challenges. Tork offers hygiene solutions that enable staff to do more with less, control consumption, manage waste, and create opportunities for efficiency, allowing operators to work smarter and worry less.

56%

say poor cleanliness and hygiene make them avoid a restaurant²

92%

of diners read online reviews before picking a restaurant³

Sub-segments

Foodservice

Hotels and Lodging

¹ Based on an IPSOS survey of 3000 people in USA, UK, Germany, France, Poland and Sweden who have visited a high traffic venue in the past 9 months.

² Essity power of hands survey 2019 amongst 6.817 respondents across the globe.

³ 75 Significant Restaurant Statistics 2019 & 2020 Finances Online.

Industry

Key challenges in the Industrial segment include continuous drive to improve productivity, increasing employee health and safety standards, attracting and retaining employees, and meeting sustainability goals.

Tork solutions improve productivity, sustain good hygiene practices and reduce environmental impact.

90%

of operators agree that providing professional industrial wipers located close-by will help workplace organisation and my work satisfaction⁵

89%

of operators agree that having robust professional wiper dispensers placed exactly where they need them would support efficient cleaning and preventative maintenance⁵

98%

of production managers in food processing agreed well stocked hygiene and cleaning dispensers, placed exactly where needed, can increase hygiene compliance⁵

Sub-segments

Manufacturing

Food and Beverage

Automotive

Aviation

Healthcare

Key challenges in the Healthcare segment are infection prevention, cleaning and care staff efficiency as well as staffing.

Tork solutions help reduce the spread of germs with touch-free systems, and also help reduce waste and improve sustainability by offering 100% recycled and third-party certified products.

5-10%

of all hospital patients are affected. In the EU alone there 3.5m reported Hospital Associated Infections (HAI) a year and at least 80,000 fatalities (about 200 deaths/day) from (HAI)⁶

€7 billion

per year in Europe, (considering direct costs only) in lost revenue for every infection caught in nursing home or other healthcare setting⁷

Washroom

Making washrooms work for your business

Whether you want to make an impression, show you care for your visitors, maintain hygiene standards or keep control of costs, we've got something that's right for you.

Make sure your washrooms deliver a great experience

Tork solutions deliver better hygiene and increase efficiency. Every business has different washroom requirements. We can help you find a hygienic, cost-effective combination of products that is just right for your customer.

What is the Tork Washroom

Making the right impression while caring for your customers and colleagues is easy with our high-quality washroom ranges. Our tried and tested combinations give you an easy choice.

Tork Hand Towels

Walking out of a washroom with wet hands makes for an unpleasant experience. Make sure your colleagues and customers can get clean, dry hands and get back to business by stocking up on the right paper hand towels.

Drying hands with Tork paper towels will reduce more bacteria.¹ The smart dispenser leaves the next user a clean, untouched sheet.

Tork Air Fresheners

It's easy to keep your washrooms constantly fresh. Tork air fresheners are designed to deliver a pleasant washroom experience. Tork Constant Air Freshener makes refilling easy and cleaning more efficient.

Tork Soap & Sanitiser

Secure the new hygiene standard with our quality and effective soap and sanitiser solutions. Our specially formulated products and award-winning dispensers paired with industry-leading Tork paper products to promote hand hygiene.

Tork Toilet Paper

Surprise washroom guests with great hospitality in the one of the most overlooked of places. Whether your priority is luxury, easy maintenance or cost-effectiveness, you can select from a range of toilet roll paper qualities and always find one that meets your needs.

¹ When washing with soap, water, followed by drying with a paper towel, vs only using soap and water. Based on modified EN 1499 standard, tested with E.Coli., using Tork Mild Soap refill art. 520501 and Tork PeakServe® refill art. 100585.

Innovative design lines

Tork Image™ Design

Impress your guests with a truly high-end washroom environment. Stylish stainless steel with anti-fingerprint coating looks great and stays clean.

Tork Elevation®

A seamless, complete and functional dispenser line with a modern feel. Available in black or white.

Tork Natural colour washroom products

A new range of hand towel and toilet paper refills makes it easy to show your company's commitment to sustainability in your washrooms.

83%
of office workers and restaurant visitors agree that offering paper towels in a natural colour made from 100% recycled materials is a good way to show their environmental commitment.¹

Improve your sustainability performance

Art. No 290099 Art. No 130299 Art. No 120377 Art. No 471255

Tissue made of 100% recycled fibres

Between 30% and 50% of the tissue comes from recycled cardboard boxes

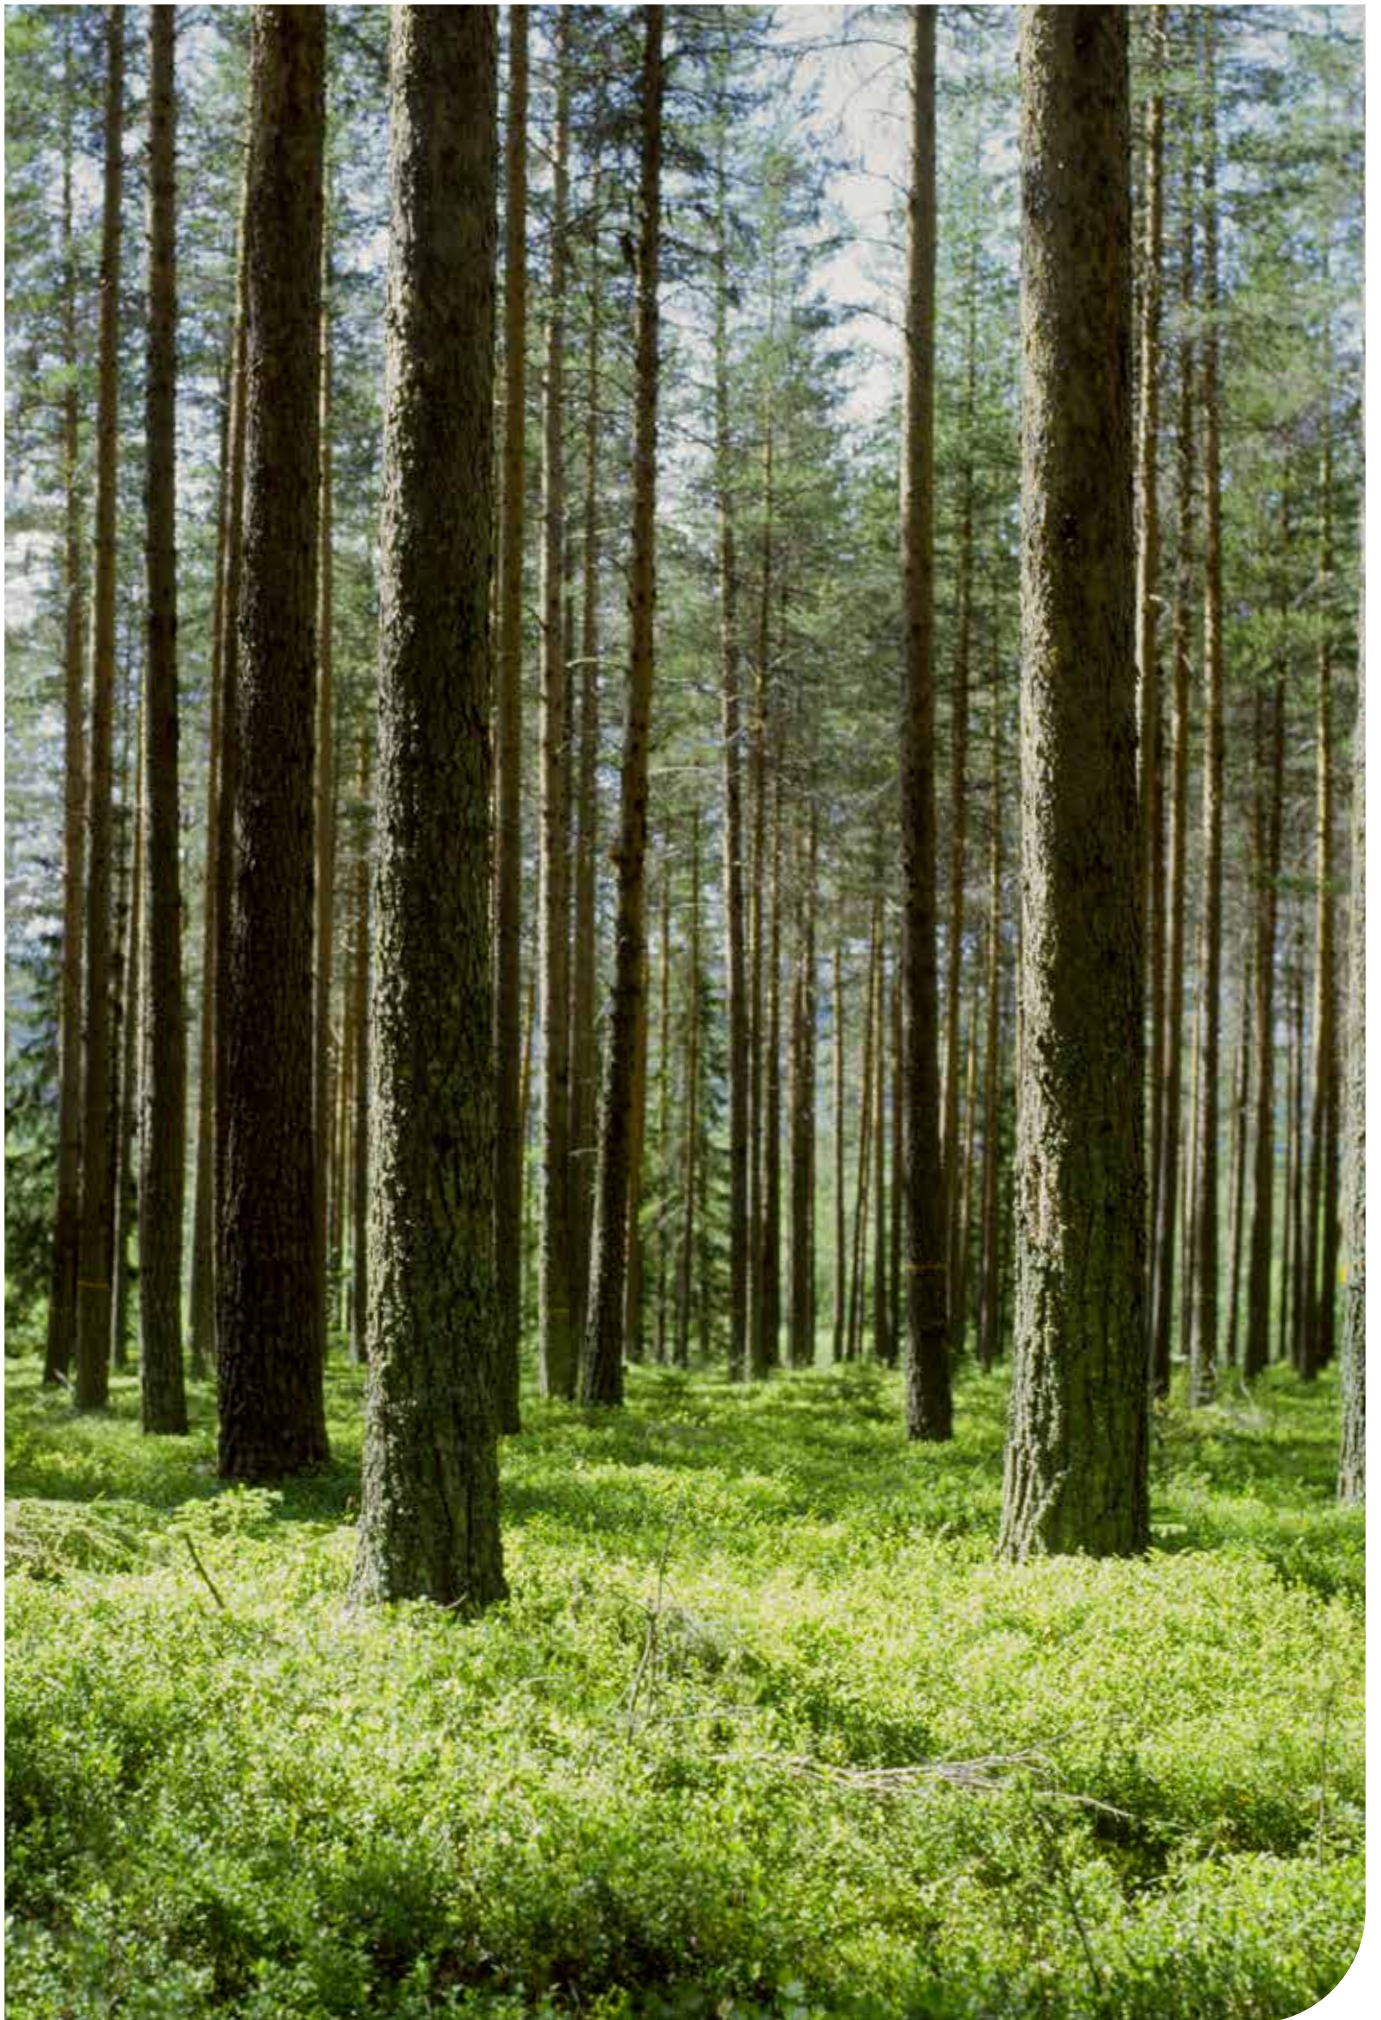

The light brown tissue colour comes from the recycled materials. No dyes added in the paper making

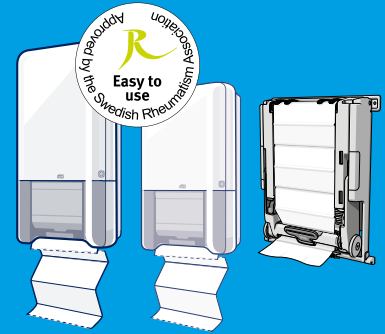

All Tork Natural colour hand towels can be used with Tork PaperCircle® recycling service

¹ User research conducted in UK, Germany and France among office workers and restaurant visitors during April 2022.

Tork PeakServe Continuous Hand Towel system (H5)

Washroom experience is important, and the world has never paid more attention to cleaning and hygiene than now. The Tork PeakServe® Continuous™ Hand Towel system offers the highest capacity¹ on the market with up to 250% more towels². Together with one-at-a-time dispensing this means fewer run-out and many more people served between refills. And since people only touch the towels they use, you get a very hygienic hand drying solution that helps you secure the new hygiene standard.

250%
more hand
towels for
less refilling
and a better
washroom flow²

- Tork PeakServe® Continuous™ hand towels are excellent for high and peak traffic washrooms
- Faster dispensing serves guests in less than three seconds – 4 times minimising queues in the washroom
- Free up space in storage rooms and cleaning trollies with refills that are compressed by 50%³
- Switching from Tork C-fold to Tork PeakServe® will help reduce waste by 28%⁴

¹ Compared to competitor's longest roll towel in Europe.

² Compared to Tork H2 Universal refills 150299 and dispenser 552000.

³ Compared to Tork H2 Universal refills 150299.

⁴ Compared average for Tork 471114 and 290265 with Tork 100589 based on weight.

Tork PeakServe® Continuous™ Hand Towel

 Refill ID: H5

- Highest capacity, up to 2 100 towels per dispenser, ensures hand towels are always available
- Serves hand towels in less than 3 seconds
- Top up in use allows dispensers to be refilled at your convenience
- Smooth, one-at-a-time dispensing lowers consumption and ensures that hand hygiene is accessible to all with Easy-to-use certification¹
- 3 dispensing formats to serve washrooms with different traffic flows, layouts, and sizes with the same refill

Tork SmartOne Toilet Roll systems (T8 and T9)

Specially designed for high-traffic washrooms, the Tork SmartOne® toilet roll dispenser is the ultimate cost-in-use and hygiene system. Available in white or black.

Reduce paper consumption by up to **40%**¹

- High capacity: less maintenance and reduced risk of paper shortage
- Robust design with lock to protect the roll and stop pilferage in demanding environments
- Quick disintegration and reduced consumption; minimises risk of pipe blockages
- Fully enclosed dispenser: users cannot touch the inside - for a more hygienic experience
- Hygienic: guests only touch the sheet they use

Tork SmartCore® – The most convenient way to extract a core – no need for tearing and easier to remove. Tork SmartCore® also gives more sheets on the roll while less air in the packaging optimises transport efficiency.

¹ Tork Advanced refill: Statistics from internal research conducted in European countries on 7729 users, Tork Jumbo Toilet Roll against Tork SmartOne® Twin Mini. Reduction accounted in square metres.

Wiping and Cleaning

The easy choice for the best result

Whether you run a restaurant kitchen or an industrial production line, we understand that every second matters. Tork wipes, cloths and dispensers are designed to get the job done with maximum efficiency – keeping your business running smoothly.

Choosing the right product

We've got a comprehensive range of specialist wipes and cloths, each designed to perform specific tasks (Foodservice, Food Processing, Low Lint Cloths).

Wiping

Mopping up spills, soaking up liquids and picking up dirt and dust with paper.

Cleaning

Removing dirt, stains and microorganisms from surfaces, machines or tools with cloths that are dry or used together with water, solvents or detergents.

Polishing

Creating a protected and shiny surface with the help of a cloth that applies polish onto the surface and is then rubbed to obtain a good finish.

Surface Hygiene

Cleaning and or disinfecting involves hygienically cleaning a surface by removing or killing harmful microorganisms.

Find the right dispensing solution

We have a wipe or cloth for every task, and a wide range of dispensers with fixing options available to make sure you'll always find what you need, where you need it.

Tork exelCLEAN

Professional results, no matter how tough the challenge

With Tork exelCLEAN® you get a quality range of low-linting, high performance cloth wipers. You also get the same reliable performance every time. No more spending time searching through rags for the “right ones”. Tork exelCLEAN® benefits your business by increasing employee satisfaction, reducing costs and improving working conditions.

Did you know?

Our Tork exelCLEAN® and patented foam-spun technologies produce nonwoven cloths setting the standard of excellence for safer, healthier and more efficient workplaces.

Could your cleaning process be more efficient?

Independent tests have proven that Tork exelCLEAN® cleaning cloths out-perform rags and rentals by saving time, effort and solvents used for the same task. Using them means up to:

- 35% less time**
- 41% less solvents**
- 31% less effort**

Improved durability:

Refined to improve high-performance durability with a new, uniform construction.

More efficient:

Our Top-Paks are now compressed to save up to 26% storage space and transport, requiring less refills, and ensuring the product is there when you need it.

More flexible packaging:

New improved portable boxes with reinforced handle and larger opening to easily access cloths – even with gloves on.

OK Biobased certification:

OK Biobased programme certification confirms the plant based composition of the product. The product is OK Biobased certified and high performing in terms of cleaning, while offers sustainability benefits at the same time.

▼ **Tork Biobased Heavy-Duty Cleaning Cloths**

Refill ID: W4/W8

- Meet the demands of both productivity and sustainability
- Strong, absorbent multipurpose cloth for heavier cleaning tasks
- 99% biobased, slowing down carbon dioxide atmospheric build-up, while performing cleaning tasks as effectively as ever¹

Tork Food Service Cloths

Solutions that keep up with your pace

We understand the high-tempo nature of working in a modern restaurant or catering facility. In these environments, wiping and cleaning tasks can involve everything from grease-covered stove tops, grills and working surfaces of different kinds to cleaning dining areas, service counters and other areas that guests and staff come into contact with.

As well as maintaining hygiene, our range of wipers keep your kitchen, restaurant, bar or café looking fresh at all times.

Back-of-house:

Throughout the day, oil and grease, stains and spills must be thoroughly cleaned from various surfaces, stainless steel equipment and tiles. Whether it's picking up spills or cleaning oil, grease, or food particles, Tork has a wiper for the job.

Front-of-house:

In foodservice cross-contamination is a constant concern. Tork foodservice cleaning towels come in a variety of colours, which allows you to designate areas of use, which greatly mitigates this concern.

Tabletop

Making it easy to create a great experience

It's not enough just to provide satisfactory service – you need to create a great experience to keep reviews positive and customers coming through the door. When doing this, we know the details matter, and we can help you get them right.

Product ranges to meet different needs

Self-service with napkin dispensing systems
When customers dispense their own napkins, refilling, waste management and storage need to be effortless, easy and convenient.

Tork Xpressnap Napkin systems

Designed for busy self-service environments where napkins need to be available close at hand. Tork Xpressnap® and Tork Xpressnap Fit® support a faster, more efficient guest experience when hygiene and swift maintenance are critical. One-at-a-time dispensing helps you control consumption and costs.

Reduces
napkin usage
by at least
25%¹

- A wide range of stylish, modern dispensers to fit your needs
- Improved hygiene, as your guests only touch what they take
- Get your message across with custom-printed napkins
- Promote your brand, offer or generate extra revenue with the AD-a-Glance® Display panels

Visit adaglance.tork.co.uk/ for inspiration!

¹ When compared to traditional napkin dispensers. Does not include drive thru models or Tork Xpressnap Fit® N14 system.

Tork Xpressnap Fit

The smarter napkin solution that helps you increase efficiency and promote hygiene

Tork Xpressnap Fit® is our most compact dispenser napkin system yet, designed to reduce refill time and free up space.

Fewer refills and less cleaning means more time for you to focus on your guests and your business.

Cuts unused napkins thrown away by more than **50%**^{1,2}

- Durable and easy-to-clean dispensers reduce time for maintenance and protect napkins from dirt and spills
- Compact design provides more table space for guests
- Cuts napkin inventory space by **up to 35%**²
- Reduces napkin refill time by **46%**¹
- Serve almost **2x** as many guests between refills¹
